

Averroes Consulting Services, LLC

Capabilities Statement

At Averroes, we don't just plan; we pioneer. As a boutique management consulting firm, we combine the art of strategic planning with the precision of data science, artificial intelligence, and business automation. Our approach is customized and forward-thinking, ensuring that solutions are not only tailored to your industry's standards but also designed to give you a competitive edge.

Core Services

- Strategic Planning
- Process Optimization
- Machine Learning and Artificial Intelligence Modeling for Business
- Corporate Wellness Programs
- AI-Powered Business Process Automation & RPA
- Advanced Data Analytics & Forecasting with IBM Planning Analytics

Differentiators

- **Strategic Expertise with Blue Ocean Principles:** Averroes helps agencies identify untapped opportunities, foster innovation, and implement strategies that maximize public value while minimizing competition.
- **Advanced AI & Business Automation Capabilities:** As an IBM Silver Business Partner, we leverage cutting-edge technologies such as Watsonx.ai, Watsonx Assistant, Watsonx Orchestrate, and IBM Business Automation to optimize decision-making, improve operational efficiency, and deliver actionable insights.
- **Veteran-Owned Integrity and Leadership:** As a veteran-owned firm with VOSB eligibility, Averroes brings disciplined execution, integrity, and a deep commitment to serving public sector needs.
- **Tailored Economic and Organizational Development:** We develop customized economic models and organizational strategies designed to help federal agencies align with national priorities and drive measurable results.
- **Process Optimization and Cost Efficiency:** We specialize in streamlining workflows and reducing operational costs, ensuring government agencies achieve greater efficiency and effectiveness in their programs and initiatives.
